Here's your chance to join the coveted Exclusive Producer Program

Only a select few are chosen. These brokers alone will have the opportunity to sell one of the highest quality, lowest rate health insurance plans in Virginia.

You can apply today

We'll accept applications from now through **February 20th**.

Exclusive Producers get extra benefits

It's not just the advantage of selling the high quality, low cost insurance your **clients with 1-50 employees** want. There's more. As an Exclusive Producer you'll get:

- Designated resources committed to help you sell and retain business
- Reporting on new business sales, net growth and persistency
- Webinars and training to help you maximize your business
- All the latest health care reform information

These personalized services can give you the competitive edge to stay one step ahead — and keep customers satisfied.

Innovation Health is easy to sell

Why so exclusive? Because Innovation Health is a top choice for coverage in Virginia. It's already a huge success story, with a 200 percent growth in membership since December 2013. That's because we offer highly competitive rates — that are sustainable over the long term.

How do we do it? Innovation Health is the
