Aetna Funding Advantage Underwriting Update

New GRX criteria for Florida and Texas

Faster quotes for small group Aetna Funding Advantage (AFA)

Effective immediately, groups in Florida and Texas with 10 or more enrolled subscribers can get GRX medical underwriting for AFA new business. That means Individual Medical Questionnaires (IMQs) are no longer required* for these groups - saving you, your clients and their employees time!

[Here](#) is our GRX template.

Groups can still use IMQs if they prefer. To help facilitate this process, we offer the Aetna EasyAppsOnline portal through [Producer World](#).

Note: All enrolling subscribers must be on the GRX census submission. IMQs will be required for final proposal if there is a change to enrollment after initial GRX underwriting.

Summary of GRX criteria for AFA:

- States with GRX medical underwriting for 10+ enrolled subscribers: GA, FL, NE, TX
- States with GRX medical underwriting for 15+ enrolled subscribers: AZ, CT, CO, DE, IA, IL, KS, MA, MD, ME, MO, NC**, NJ, NV, OH, OK, PA, SC, TN, UT, VA, WI, WV, WY

If you have any questions about AFA, please contact your Aetna representative.

***We still require IMQs for groups with no prior coverage.**

****North Carolina still has a minimum of 26 eligible/20 enrolled for AFA.**
