New AFA local-network options effective 10/1

We have added new local-focused networks to our AFA portfolio, effective 10/1. These quality care, lower-cost networks include:

- IL & MO: Aetna Carelink — S. Illinois/E. Missouri
- NJ: Aetna Whole HealthSM — Hackensack Meridian Health
- SC: Aetna Carelink — Upstate

This brings our AFA portfolio to a total of 55 local-network options. Refer to the attached flyer, which has been updated and includes more details. The flyer is also posted on [ProducerWorld®](#).
