

## 1095-B Reporting Aetna Funding Advantage<sup>SM</sup>

### 1095-B Tax Forms Are On Their Way

As you know, we are handling the preparation, filing and delivery of 1095-B 2018 tax forms as a value-added service for Aetna Funding Advantage groups (who have not opted out) with 5 to 50 employees. The 2018 forms will start going out the week of January 28, 2019 and all forms will be mailed by January 31, 2019. Once they're ready, here's how members can access their 1095-B tax forms:

#### **Electronic**

If the member consented to receive the form electronically, they can access their 1095-B 2018 form through the Aetna Navigator® secure member website. We will post the form in the Letters & Communications tab of the Message Center.

#### **Mail**

We will mail 1095-B 2018 forms to members who did not give consent to receive their form electronically. These members can also call 855-531-6837 with questions about their 1095-B forms.

Note: If a group transitioned from a fully-insured Aetna plan to an Aetna Funding Advantage plan in 2018, we will issue a 1095-B form for each plan.

Remember, **members do not need to file their 1095-B forms**. We issue the forms to members so they can keep them as records.
