Aetna | Inova PARTNERSHIP

## New year, same great platform

Start 2019 on the right track by updating Producer World to ensure that you and your team have access to what you need! Producer World is our secure website for registered brokers who are appointed and licensed to sell Aetna and Innovation Health products. This site is available 24/7 and provides the information and self-service tools needed for you to sell.

### **Producer World gives you access to:**

- Product Grids
- Summary of Benefits (SBCs) and Plan Descriptions
- Marketing Materials
- SMART - online quoting system for small group, Affordable Care Act (ACA), and Illustrative Funding Advantage plans
- Springboard and eBusiness access to manage current group enrollments
- Access your book of business and commission statements
- And much more!

**A few quick tips:**

- Make sure everyone in your agency has their own Producer World Login
- Review who has access to your book of business and commission statements
- Remember to make adjustments throughout the year as needed
