

You can quote Basic Life Insurance in \$15,000 flat benefit on small group quoting

August 30, 2017

Starting September 15, 2017, you'll be able to quote Basic Life flat amounts of \$15,000 or more for small groups using our small group quoting capability.

Basic Life will be available for groups of 2 to 9 employees in these flat amounts:

- \$15,000
- \$25,000
- \$30,000
- \$50,000

Basic Life for small groups of 10 or more employees will be able to quote in flat amounts from \$15,000 up to \$350,000, in \$1,000 increments. And all of the value-added benefits included with our Life plans are included with the \$15,000 flat Basic Life benefit:

- Resource Advisor
- Travel Assistance
- SpecialOffers discounts

The \$15,000 flat Basic Life option allows more employers to give their employees a small employer-paid benefit. While not required, we do continue to encourage that Optional Life be included with the quote. Offering Optional Life gives employees the chance to buy the amount of coverage they need through payroll deduction.

This change affects only flat Basic Life plans.
