

Why are more brokers selling Anthem's Medicare Programs?

- Medicare Supplements plans are offering a **bonus** for the months of April, May and June for new enrollments
- The two most popular Anthem Extras plans, **Premium and Premium Plus**, were added back to the portfolio **effective 1/1/18**
- The Anthem Extras **waiting periods have been waived** for individuals coming from competitor **dental plans as of 3/1/18** as well as the **break in coverage extended to 63 days**
- The **electronic enrollment tool** for Medicare products is the **easiest and most efficient way** to enroll your members and can **provide a member ID within approximately 48 hours**
- The rates for the old closed plans such as Medicare Extended and Extended Plus will have a **rate reduction** beginning 6/1/18.
- Anthem continues to be the leading carrier for Medicare Supplement plans and provides **extremely competitive rates for Plan G.**
- Access to your Anthem **Group** and **Individual clients who are turning 65!**
