

What makes our dental plans worth a second look?

April 16, 2019

A lot makes our dental plans worth a second look! That's because **Anthem Dental Essential Choice** has more options for your clients than our previous dental plans and many of our competitors' plans.

Next week, we'll start a series of articles in our *Producer Online News*. Each article will focus on the key factors that make our new **Anthem Dental Essential Choice PPO** plan stand out from the rest to give your clients more care, more choices, more convenience, more savings.

You'll get the big picture on how **Anthem Dental Essential Choice** might be the perfect fit for your clients. Then we'll zoom in on the details of each of these topics:

- Unlimited annual maximum amounts (LG only)
- Carry-over and carry-in (LG only)
- Carry-over (SG only)
- Enhanced preventive care
- Accidental dental injury
- Cosmetic benefit (LG only)
- Implants and composites
- Network reimbursement
- Voluntary dental

So stay tuned to your newsletter for more to come. In the meantime, check out our new brochures:
