

Virginia's Service Area Re-Entry for 2020

- After thoughtful review of the stability in the marketplace in Virginia, the decision was made to re-enter the remaining 14 counties and 6 cities that will bring Anthem back to full participation.
- This change brings Anthem back to its full service area of 129 counties/ cities (same service area prior to 2018).
- The city of Fairfax, the town of Vienna and the area east of State Route 123 will continue to be **outside** of Anthem's service area.
