## Your clients can earn a one-month dental premium credit

---

We're running a dental premium promotion for effective dates of October 1, 2020, through January 1, 2021.

Small Groups will receive a one-month premium credit when they purchase:

- Dental Essential Choice PPO with a new Small Group medical plan, or add it to an existing medical plan.
- A stand-alone Dental Essential Choice PPO plan.

We'll apply the premium credit in one of the first three months.

The employer will be responsible for the premiums of employees or dependents added after their initial group set up date.

Please contact your Anthem representative for more information.
