DC Health Link, MTDonahoe, and UnitedHealthCare

We've got exciting news to share with you.

MT Donahoe & Associates is now appointed with UnitedHealthcare on DC Health Link! We are currently testing our B2B direct connection to UHC and will have quoting on the MT Donahoe spreadsheet available later this week or early next week. Our quoting tool will now allow you to easily compare all DC based small-group plans among all carriers in one spot, which is something not available on the DCHL broker portal. In addition, our quoting tool will offer UHC Life Insurance rates in flat amounts of \$25K and \$50K – we can accommodate different amounts per your request. In addition, any UHC dental or vision plans must be written off-exchange through our new business department. If you have any current UHC groups enrolled on DC Health Link, or in the process of submitting a new piece of UHC business on DCHL, please select MT Donahoe as your General Agent – once you select us, we can begin serving your account like we do for the other carriers.
