

Dear DC Health Link Broker,

As part of our response to the Coronavirus (COVID-19) outbreak, DC Health Link is offering a new [special enrollment period](#) to your small business clients' employees to enroll.

This is a copy of a message we've sent to the Point of Contact:

As part of our response to the Coronavirus (COVID-19) outbreak, we are offering a new [special enrollment period](#) so that your current employees who are not covered under your DC Health Link health plan can [enroll](#). Your employees can sign up for health insurance coverage now even if they declined in the past. Dependents can also enroll.

We've made it simple. Your employee needs to login to their account or create one if they don't have an account. Your employee will see under 'Have life changes?' an option called 'COVID-19'. Just select COVID-19, pick a start date, and select a plan. This is all self-service online. But if your employees need help, we're here to help.

[Send us a message online](#) or call us at (855) 532-5465 / TTY: 711.

Stay safe and thank you for providing health insurance to your employees!

Mila Kofman
Executive Director
DC Health Benefit Exchange Authority
