## Launch of New Membership Change Form for Medicare Supplement Members

Effective June 26, 2017, CareFirst has created a membership change form for Medicare Supplement members in Maryland, Washington, D.C. and Virginia. Members can use this form to make changes to their membership – including name, address, phone number, gender identification, e-consent permissions and RELICC information (Race/Ethnicity, Language, Interpreters and Cultural Competency).

The form cannot be used to make product changes. Product changes require a new application.

This form will be available on [www.member.carefirst.com](http://www.member.carefirst.com) under the Using Your Plan tab. Members also have the option to complete the form within My Account – either electronically or printed and mailed.

Should you have any questions, please contact your broker sales representative.
