One Medical Rejoins CareFirst Provider Network

One Medical, a Washington, D.C.-based provider group, will rejoin the CareFirst BlueCross BlueShield and CareFirst BlueChoice, Inc. (CareFirst) PPO and HMO networks as a participating provider, effective November 1, 2018. CareFirst always seeks to provide members with a broad choice of providers and is pleased that One Medical is returning to our networks.

One Medical providers will not be viewable in the CareFirst provider directory until late-November, although members may still schedule and visit One Medical providers beginning November 1, 2018.
