Maryland (HB847)

Lymphedema Diagnosis, Evaluation, and Treatment

Effective January 1, 2019

Effective January 1, the Maryland *Coverage for Lymphedema Diagnosis, Evaluation, and Treatment* mandate (MD HB847) requires the following plans to provide coverage for medically necessary diagnosis, evaluation, and treatment of lymphedema including equipment, supplies, complex decongestive therapy, gradient compression garments, and self-management training and education with no changes in current cost share levels:

- **CD grandfathered,**
- **51+ and Large grandfathered, and**
- **51+ and Large *non*-grandfathered**

Cost sharing may be applied to this coverage if it is not greater than cost sharing for similar coverages under the same health insurance policy or contract.

Effective date

Effective January 1, 2019, applies to new and existing business upon renewal.

If you have any questions, please contact your broker sales representative.
