Brokers and Consultant COVID-19 Update

Please join CareFirst to learn about the thought-leadership pieces, decision-making toolkits and member support materials we've made available to help guide accounts looking to expand or resume their business operations. During this call we will:

- Share the resources available to all groups (fully insured and self-insured) on the [Coronavirus Resource Center](#)
- Explain the enhanced offerings (onsite screening/testing, care packages, etc.) available for purchase by self-insured accounts
- Review recent updates to telemedicine benefits
- Discuss the impact of COVID-19 on renewals
- Answer your questions

Space is limited and on a first come, first served basis. The presentation will be available on the [Broker page](#) of the Coronavirus Resource Center following the webinar.
