MD SB99 – CareFirst to Reissue ID Cards Upon Renewal in 2021

Background

MD SB99 requires health insurers to include the Maryland Insurance Administration (MIA) on member ID cards for plans that have minimum essential coverage (MEC). This includes Maryland fully insured plans on FACETS and NASCO.

Current Situation

For new and renewing groups and individuals with plans that have minimum essential coverage, CareFirst will issue new member ID cards to add the Maryland Insurance Administration name.

sample

New ID cards will be issued regardless of whether the group or individual makes a benefit change at their 2021 renewal. All impacted group administrators will be notified of this requirement via a one-time [mailing](#) in late October 2020.
