Cigna offers more funding options to small- to mid-size companies* than any other national health care company. This includes a fully insured option and two self-funding options.

During the webinar, our own experts will discuss:

- › What's available in today's market for your clients of this size
- › The robust options Cigna has to offer your clients
- › Questions you can ask to help clients determine what's best for their benefits strategy
- › Tools we'll give you to help clients make the right choice

*Cigna offers group insurance coverage to employers with 51-250 employees, as well as administrative services for self-funded plans. In most states, Cigna administers self-funded plans for employers with as few as 25 employees. In New Hampshire, New York, Oregon and Utah, Cigna administers self-funded plans only for employers with more than 50 employees.

Together, all the way.®
