NAVIGATING THE POST-ELECTION LANDSCAPE: THINGS TO KNOW FOR 2017

Join us for a November 17 web meeting

Health care, including the Affordable Care Act (ACA), is one of the top issues heading into this year's elections. And, no matter what the outcome, we can anticipate continued political debate and new changes affecting the health care landscape.

Given this dynamic environment, staying informed and compliant is more important than ever.

Please join us on **Thursday, November 17 from 3:00 – 4:00 p.m. ET** for a complimentary Health Care Reform web meeting as we provide high-level perspectives on the post-election political impacts and outline key ACA requirements employers need to stay in front of heading into 2017.

During the web meeting, we will:

- Provide insights on the election outcomes and what they could mean for the ACA
- Discuss the top health care reform issues on the regulatory horizon
- Outline employer considerations to help prepare and ensure compliance with ongoing ACA requirements
