Dominion National Membership Surpasses 875,000

Arlington, Va. – Dominion National, a leading dental insurer and administrator of dental and vision benefits headquartered in Arlington, Va., today announced the company's membership has increased to more than 875,000 members, boosted by significant growth during the recent open enrollment season and adding more than 50,000 dental plan members on the Exchanges.

"We continue to offer our customers cost-effective benefit solutions and are very committed to providing the best possible customer experience," said Dominion National President Mike Davis. "We are thrilled to have the opportunity to deliver our new members with exceptional service and value."

Dominion National's membership has increased nearly 570% over the past 10 years.

Dominion has also experienced growth in its core markets including commercial groups, individuals and health plans.

About Dominion National

Dominion National, incorporated in 1996, is an agile and innovative provider and administrator of dental and vision¹ benefits. Dominion serves over 875,000 members, including leading health plans, employer groups, municipalities, associations and individuals among its diverse client base.
