Arlington, VA - Dominion National, a leading dental and vision insurer and administrator headquartered in Arlington, Va., and Capital BlueCross, a central Pennsylvania health insurance carrier and licensee of the BlueCross BlueShield Association, will present at the National Association of Dental Plans (NADP) Virtual Annual Conference, CONVERGE, on September 23 to discuss dental trends in Medicare.

Presenters will be Dominion President Mike Davis, Dominion Vice President of Marketing Jeff Schwab and Capital BlueCross Vice President of Ancillary Services Chris Davis. They will discuss the positive impact dental benefits have on Medicare program retention and medical costs, various plan designs and the future regulatory landscape.

"Dental can play a role in a Medicare Advantage enrollment decision," said Dominion National President Mike Davis. "Several Medicare Advantage options now include comprehensive dental coverage and we see the inclusion of these benefits as a driver for overall enrollment increases. We look forward to sharing more insights at CONVERGE this year."
