

Broker Alert

IMPORTANT MESSAGE

To our valued Broker partners,

We are very disappointed that LifeBridge Health, Anne Arundel Health System and JARS Health Investments have informed the Maryland Insurance Administration (MIA) that they no longer intend to acquire Evergreen Health. We await more details from the MIA on next steps for the organization.

As we learn more about our path ahead, Evergreen will continue to provide updates to ensure a smooth transition for our groups and members.

For inquiries, please feel free to reach out to us at member@evergreenmd.org

Sincerely,

Peter Beilenson, MD, MPH
