## ARE YOUR MEMBERS REGISTERED?

Welcome to 2016.

We have started sending monthly newsletters to your HealthPerx members. Unfortunately, we can only send them to members for whom we have an email address. How do we get their email addresses? Two ways. One, you can send them to us. Two, when they register at Teladoc we capture it. So please encourage them to register, or please send me their email addresses. Not sure if we have your teams email addresses? Email me at [ann@hperx.com](mailto:ann@hperx.com). I will let you know and work with you to get all your employees on our distribution list.

## ARE YOU UTILIZING OUR CLIENT PORTAL?

We have many resources for you to maximize your HealthPerx

You can access our Client Portal from the same website that members access our member portal. When you go to the [HealthPerx website](#) Scroll down the page to the box that says. "Client Portal." If you are already registered, simply login and you can access all our marketing materials there. If you have not yet registered, use these step by step instructions to complete the process and start using all of the resources available to you

## HOW TO USE THE FITNESS ADVANTAGE PROGRAM. If your package includes this benefit

If Fitness Advantage is part of your benefit package, you may need to sign up for this benefit through the New Benefits Member Portal directly, not through the club. You can still print up a voucher for a free trial before you sign up, but you do not sign up through the club but through [www.mymemberportal.com](http://www.mymemberportal.com). Once there, you will need to register with your

HealthPerx member information, set up an account, and then click on the Fitness Advantage logo on your main page. Here are step by step instructions:
