

DO YOU HAVE A BREAKROOM?

Welcome to 2016.

Is there an area in your organization where employees congregate? If so, we have a useful tool for you. Click here to download a great flyer that reminds members of their Teladoc benefit and allows them to "tear off" a reminder to register and to use it.

SUMMER VACATIONS ARE HERE, TAKE TELADOC WITH YOU

With Summer comes vacation time. Unfortunately, getting sick can happen when members are away from home. Here is a useful flyer that you can send to your members to remind them that Teladoc is available 24/7, wherever they and their family may be.

HOW TO USE DOCTORS ONLINE If your package includes this benefit

eDocAmerica is a great benefit if your group has chosen this benefit. It allows your members to have email access to the eDocAmerica medical team to ask any medical or health question and always get personal, direct answers. There is a 3D Video Library with more than 250 videos. It also offers a healthy lifestyle assessment to help you monitor your current health status. It also has a Personal Health Record that provides secure storage for your health information.

To use this benefit. Go to edocamerica.com and click on "Register Your Account" in the center of the page. Go to the Company/Organization Section and select "Doctors Online" from the drop down menu. Enter the member number from the front of your HealthPerx card. Create a screen name and password and you're good to go. You can click on the professional you want to contact. *If a team member can not locate their member number, have them call us at 888.417.6187, option 1.*
