

## AS JULY 4TH IS AROUND THE CORNER.

Welcome to 2016.

Many employees are off throughout the Summer, but an even greater number take off around the holiday. It's important to remind your staff of their telemedicine benefit should they get sick when off from work.

Do you have a breakroom? Here is a great flyer you can print and post to remind your employees to use Teladoc first before going to the doctor, ER or an urgent care clinic.

[Use your PTO Wisely](#)

## DO YOU NEED MEMBER ID'S FOR YOUR HEALTHPERX MEMBERS?

We get calls and emails all the time from members who can't locate their membership card and need care. They can always get care but they will need their Group Code and Member ID. Do members ever come to you to try to get this information? We would be happy to send you this information on all your employees. Just email us [ann@hperx.com](mailto:ann@hperx.com) and we will send you that. You can still have them call us at **888.417.6187** option #1 or customer service at **800.800.7616**.

They can then go to [www.mymemberportal.com](http://www.mymemberportal.com) to register and print and/or download their membership card and kit. They can also register directly at Teladoc and request a consult directly.

## REMIND YOUR EMPLOYEES THAT ALL HEALTHPERX MEMBERS HAVE A FREE TRAVEL DISCOUNT PROGRAM.

With Summer here, it is a busy vacation and travel time. Fortunately, all HealthPERX members receive our free **Affinity Travel Benefit**. There are absolutely no fees and no

"catches" with this benefit. We wanted this for our clients and members as another way to say "Thank You" for working with us.

The discounts you will find typically range from **5% to 50%** when compared to retail travel sites such as Expedia, Travelocity, Hotels.com, Orbitz and Priceline. We searched over 50 online travel sites, chose different cities, dates and hotels and found better pricing on this site every single time.

As an added feature, Affinity Travel Benefits offers a low price guarantee. That means, if you happen to find the same room at a lower price on any online travel platform, Affinity Travel Benefits will refund you the difference. It's a rock solid guarantee.

We believe that once our members, their families and their friends experience the savings, they may never have to book a hotel or vacation rental anywhere else!

The only way to access this benefit is from [www.mymemberportal.com](http://www.mymemberportal.com). So encourage your employees to register today.

- **Travel Platform - Unpublished Rates Not Available in the Retail Market**
