

OUR THOUGHTS AND PRAYERS GO TO THOSE AFFECTED BY HURRICANE HARVEY.

Welcome to 2016.

Yes, I know, every month we start our monthly newsletter by reminding our clients to remind their employees to remember to use Teladoc. This month, especially in certain areas of the country, this may be even more important benefit. However, we just want to let every client know that we are thinking of those affected. If Teladoc can help them in their time of need, great. More importantly we want everyone to think of those in need at this very difficult time and do what they feel they can do to help.

HAPPY LABOR DAY! WHAT SHOULD YOUR EMPLOYEES DO WHEN THEY GET SICK OVER THE HOLIDAY WEEKEND?

This is a great time to remind your employees about their Teladoc benefit. Have a breakroom? Here is a great flyer to post there or in a common area:

[Use your PTO Wisely](#)

DO YOU NEED A LIST OF ALL YOUR EMPLOYEES UNIQUE ID'S?

Your employees need their Group Code and Member ID in order to call Teladoc. Do employees ever come to you and ask for this information? If so, we are happy to send you a list of all your employees ID numbers to have. Contact us by phone or email at ann@hperx.com or by calling us at 888-417-6187, option #1 and we will be happy to send you a spreadsheet with all

your employees information.

Remember that we always available to help!
