

## IT'S TIME TO ONCE AGAIN REMIND EMPLOYEES ABOUT TELEMEDICINE.

Welcome to 2016.

I am always amazed when I go to talk to our customers. I get in front of the employees to remind them about their telemedicine benefit and almost every time I do, an employee expresses displeasure because they recently went to the doctor or took a family member to the doctor and they could've called Teladoc. Not only would they have saved your company money on their insurance, but would have saved the employee on the copay they paid and the time it took to go to the doctor.

Here is a great flyer you can distribute to your employees or post in a break room:

## HELP YOUR EMPLOYEES USE ALL THEIR HEALTHPERX BENEFITS

The best way to see and best utilize all their benefits is through the MyMemberPortal website. At [www.mymemberportal.com](http://www.mymemberportal.com) they can register directly for Teladoc and request a consult, see and learn how to use their other benefits and reprint and/or download their membership card and membership kit. Do you need step by step instructions on how to register? Well here they are:
