

HOLIDAYS ARE UPON US. REMIND YOUR EMPLOYEES ABOUT THEIR TELEMEDICINE.

Welcome to 2016.

Thanksgiving is next week. Thanksgiving is considered one of the biggest travel holidays of the year. Unfortunately, people get sick when they are away from home. This is a great time to remind them of their telemedicine benefit. Remember that this benefit is good for their entire family.

Here is a great flyer you can distribute to your employees or post in a break room:

HELP YOUR EMPLOYEES USE ALL THEIR HEALTHPERX BENEFITS

The best way to see and best utilize all their benefits is through the MyMemberPortal website. At www.mymemberportal.com they can register directly for Teladoc and request a consult, see and learn how to use their other benefits and reprint and/or download their membership card and membership kit. Do you need step by step instructions on how to register? Well here they are:

MANY PACKAGES HAVE A FREE PHARMACY CARD? DOES YOURS?

We have a free pharmacy card that we offer to all HealthPERX clients. Some employers don't want it since they have pharmacy coverage through their medical insurance. Sometimes, however, drugs aren't covered through their insurance or our discount card offers a better price for the employee. Not sure if you have our pharmacy card? Check the bottom right of your HealthPERX card and look for the NB bin and PCN #'s. Why use our card?

Don't pay full price! Save 10% to 85% on most prescriptions at over 60,000 pharmacies.

Just present your card to save an average of 46% at locations nationwide.

- Compare your prescription prices and see for yourself at [RxPriceQuotes.com](https://www.rxpricequotes.com)
- Participating pharmacies include CVS, Walgreens, Target and many other independent, national and regional chains
- Even if you have insurance, present both cards at the pharmacy to receive the lowest price
- Immediate family included
