

## healthPERX January 2018 Client Newsletter

Let's make 2018 the year we increase utilization.

Dear Heather,

Every month we send a newsletter. Our goal is to always help keep your telehealth benefit front of mind for you and your employees. If you have an idea of something that would be helpful, please let me know so I can add it to a future newsletter or address it specifically with you and your employees. Just click on the link below to send me an email.

### It's cold and flu season, time to remind your employees of their telehealth benefit.

Experts have said that 2018 is one of the worst flu seasons in many years. This is a perfect time to remind your employees that they should call Teladoc at the first symptom of a cold or the flu. The call, for most healthPERX clients cost nothing. Here's a great flyer to post or forward to your employees.

Access all benefits at [mymemberportal](#)

Encourage use of the [Teladoc App](#)

Members can register at [www.mymemberportal.com](http://www.mymemberportal.com) to view all benefits and directly register for Teladoc and request a consult.

Once registered with Teladoc, your employees can download the Teladoc App for quick and easy access to doctors through a video or phone consult with the Teladoc App.
