

## Innovation Health Funding Advantage Update

### **Innovation Health Funding Advantage offered down to 5 enrolled employees**

Great news! Beginning with 4/1 effective dates, the IHFA self-insured plan is now offered down to 5 enrolled employees.

#### **Start prospecting now for new clients**

Now's the time to prospect for new clients. They can reap the benefits of IHFA, which is designed specifically with your small business clients in mind. It offers financial incentives and protection, convenience, and a range of options that help your clients control their costs. At the same time, it provides their employees with the quality care they deserve.

#### **Contact us today on existing Innovation Health Cases**

If you would like an IHFA quote on existing Innovation Health cases, contact your Client Manager. We will also be offering a quote at normal renewal cycle to clients that would most benefit from IHFA.
