

A better way to quote has arrived

Making quoting easier for you

As an Exclusive Producer, quoting Funding Advantage plans has gotten better. In particular, you've seen:

- Paperwork submissions go from the tenth of the month to the fifteenth of the month.
- A [new quoting tool](#) to quote all 52 plans at once as well as provide illustrative quotes.
- Requirements on paperwork have been consolidated and don't require a notarization.

So, help your clients get potential cost savings of up to 25 percent* with an Innovation Health Funding Advantage plan. This means you could lock in EXCLUSIVE cost savings, even for clients with as few as 5 employees. For example, a small business with 50 members could save \$6,000 per month — that could add up to \$72,000 in savings!* [Click here to learn more.](#)

Don't wait! For clients effective July 1, request a quote by June 15. Start quoting today.
