# Important Underwriting Update

## **New Small Group Aetna Funding Advantage (IHFA) Guideline**

Effective immediately, groups with **15** or more enrolled subscribers can get GRX medical underwriting for IHFA new business. That means Individual Medical Questionnaires (IMQs) are no longer required\* for these groups - saving you, your clients and their employees time!

*Note: All enrolling subscribers must be on the GRX census submission. IMQs will be required for final proposal if there is a change to enrollment after initial GRX underwriting.*
