Kaiser Permanente's Physicians Honored as "Top Docs"

To support your continuous effort to spotlight our excellent physicians who provide the best care to our patients every day, PDFs of "top doc" articles are now available from the following publications:

Baltimore magazine [click here](#)

Northern Virginia magazine [click here](#)

Washingtonian magazine [click here](#)

If the document does not open automatically, click the "Download" icon in the bottom left hand corner.

Criteria for determining the physicians who were recognized:

- **Baltimore** magazine determined their top doctors based on an annual online poll that surveyed thousands of physicians in the region.
- **Northern Virginia** magazine identified their top doctors based on a panel and a local survey of physicians.
- The **Washingtonian** magazine sent out surveys to 12,000 randomly selected area physicians, asking them whom they would trust to provide care to their patients.

For more information, please contact your account representative.
