

Kaiser Permanente BROKER blast

February 20, 2018

Introducing Cosmetic Dermatology Important information about our new practice

We're excited to announce that Kaiser Permanente is launching a new cosmetic dermatology practice at the [Falls Church medical center](#). Starting **February 27, 2018**, Kaiser Permanente members will have access to nonsurgical cosmetic procedures* including:

- Botox
- Soft tissue fillers
- Removal of benign skin lesions (skin tags, moles, and milia)
- Sclerotherapy
- Laser brown spot removal
- Laser hair removal
- Chemical peels
- Facials (Anti Acne, Anti-aging, Firming Vitamin C and & Customized)
- Microdermabrasion

*Please call 703-237-4014 for availability.

These services are available to members only (including Kaiser Permanente employees) and are provided on a fee-for-service basis. They are not covered by the health plan.

Products from Obagi Medical, a worldwide leader in skincare products, will also be available for purchase to treat premature aging, damage from the sun and other causes, acne, hyperpigmentation and signs and symptoms of rosacea.

At Kaiser Permanente Cosmetic Dermatology, members can count on the same high quality and safety standards they've come to trust at all Kaiser Permanente medical centers. Our physicians have access to patient medical records therefore, members receive more customized care that takes into account their total health.

Visit kp.org/cosmeticdermatology/mas to learn more.

Please share it with your clients who may be interested in this new offering and encourage them to make an appointment today.

We have also created a [brochure](#) to help you speak to your clients.

If you have any questions, please contact your sales representative.
