

Kaiser Permanente BROKER blast

October 2018

Kaiser Permanente of the Mid-Atlantic States (KPMAS) is celebrating its best-in-class cancer care during October.

Now is a great time to let your clients know that Kaiser Permanente is recognized nationally for outstanding cancer care according to the prestigious Quality Compass 2018 ratings:

#1 in the Mid-Atlantic and **#1** in the nation for Breast Cancer Screening for Commercial (5 years in a row) and Medicare plans (2 years in a row)

#1 in the Mid-Atlantic and **#4** in the nation for Colorectal Cancer Screening for Commercial plans and **#1** in the nation for Medicare plans (2 years in a row)

#1 in the Mid-Atlantic and **#2** in the nation for Cervical Cancer Screening for Commercial plans

With Kaiser Permanente, members get a team composed of oncologists, surgeons, radiologists—trained at many of the finest medical schools—working closely together to provide the most effective treatments. As conditions change, they all know and understand the member's needs for new drugs, new regimens, and newly developed combinations. In addition, members have access to groundbreaking clinical trials and technologies. The Kaiser Permanente philosophy of care puts members at the center, choosing treatments with their physicians that are right for them and their families.

Visit the [Cancer Care Excellence website](#) to learn more about cancer care and treatment at Kaiser Permanente.

When you bring together our team of experts, our comprehensive services, and one-of-a-kind patient experience, you have the foundation of cancer care that everyone deserves. Battling cancer is burden enough, which is why we remove a lot of typical insurance processes and financial hurdles, so our members can focus on their treatments and getting better.
