

'Hundreds' of Kaiser Permanente Physicians Named to "Top Doctors" List Throughout DC and Maryland

To support your continuous effort to spotlight our excellent physicians who provide the best care to our patients every day, PDFs of "top doc" listings are now available. Kaiser Permanente routinely distinguishes itself amongst other Medical Groups/Health System(s) in the Washington and Baltimore Metropolitan Area as the premier healthcare organization in the Mid Atlantic. Our Physicians and Providers practice along the cutting edge of healthcare using the most innovative and evidence-based practices in the industry. As a result, our members benefit from the highest quality healthcare and most effective outcomes on their wellbeing and that of their families. Kaiser Permanente continues to lead the pack as it relates to measurable, quality outcomes while keeping to the mission of offering affordable, quality healthcare.

57 Kaiser Permanente doctors were recognized in the November 2018 Baltimore Magazine "Top Doctors" edition. [Click here to view the doctor listing.](#)

172 Kaiser Permanente doctors were recognized in the November 2018 Washingtonian Magazine "Top Doctors" edition. [Click here to view the doctor listing.](#)
