Kaiser Permanente BROKER blast

April 2019

We just released our newest video in the broker learning series, “Kaiser Permanente in Baltimore.” This new training video highlights our presence in Baltimore, how we give back to the community and our plans for the future.

We want to continue to strengthen our partnerships and increase our presence in Charm City. We hope this educational video will give you the background you need to have fresh conversations with your clients about the value Kaiser Permanente brings to their businesses and their communities.
