## **Kaiser Permanente increases Fauquier County service area**

We are pleased to announce that next year even more individuals and groups will be eligible to enroll in Kaiser Permanente health plans. Effective January 1, 2020, the service area for Kaiser Permanente for Individuals and Families (KPIF) and small-mid-large group plans will expand further into Fauquier County, Virginia. (The Kaiser Permanente Medicare Health Plan service area does not currently include Fauquier County and will remain the same as it is today.)

The 2020 Fauquier County KPIF and commercial group service area will include coverage for members working and/or residing in the following ZIP codes (2020 additions in **BOLD**):

**20115, 20116, 20117, 20119, 20128, 20137, 20138, 20139, 20140, 20144, 20181, 20184, 20185, 20186, 20187, 20188, 20198, 22406, 22556, 22639, 22642, 22643, 22720, 22728, and 22739.**

The service area was expanded to include ZIP codes within 30 minutes of the new Kaiser Permanente Haymarket Crossroads Medical Center scheduled to open in September 2019.
