

# BROKER BLAST

COMMERCIAL

September 2020

## Key benefit changes for large employer group contracts renewing on or after January 1, 2021

A number of benefits change in our plan designs from one year to another and we want to make sure our broker community and our groups are informed.

This year, we have highlighted a few key changes that we wanted to communicate to you early. [The changes can be found here](#). The full benefit change announcement will be released in late October as usual.

We will also send an Employer Blast this week.
