

A recent broker survey¹ showed Starmark and Trustmark Life Insurance Company rated highest against competitors in several categories, including:

Overall Experience. We are recognized for our strong commitment to brokers.

Sales and Marketing Support. Our sales and marketing tools help you become a self-funded expert and valuable resource to your clients.

Broker Compensation Program. We put meaningful financial rewards within easy reach for brokers.

Claims Surplus Choices. We offer more choices for employers to manage their health plan costs and potential surplus.

Specific Deductible Choices for Stop-Loss Insurance. We offer a wide range of choices to meet employers' budget and needs.

And, we were rated among the top¹ for:

Customer Service. We are dedicated to delivering personal service.

Medical Plan Design Choices. Our health plan design flexibility means employers can tailor a benefit package to meet their needs.

Rated #1 for the following Reference-Based Pricing Attributes:

Overall Experience

Protection Against Member Balance Bills on Eligible Claims

Provider Acceptance of Plan Designs

Customer Service

Employer and Member Educational Tools
