New! Kaiser Permanente small group online application tool Now available for groups starting with May 15, 2016 effective dates

On May 2, 2016, Kaiser Permanente launched an online application tool for off-exchange small groups. The tool offers a more seamless application process and makes it easier to onboard new groups with Kaiser Permanente. The tool will process applications for groups starting with May 15, 2016 effective dates or later. With the Kaiser Permanente small group online application tool, you and your clients will be able to:

- Submit group applications electronically,
- Add initial enrollment information via a simple file upload,
- Pay the first month's premium,
- View producer-specific reports, and
- Monitor application status at any time.

To register for an account and to begin using the tool, visit
