

## Virginia Medicare Supplement Rate Action, Effective June 1, 2020

April 9, 2020

---

### Closed PLANS (Traditional/1992 Pre-Standardized)

As a leading carrier in the Medicare Supplement market, we offer a strong suite of products to help you and your clients find the best option to suit their needs. To ensure you are well informed, ready to sell and prepared for discussions with your existing clients, we want to tell you about the rate adjustments effective June 1, 2020, on the Traditional/1992 Pre-Standardized (closed) plans.

### What Information Will My Clients Receive About this Adjustment?

Beginning mid-April, your clients will receive a renewal letter regarding their coverage. This letter will show the premium that Anthem will bill the member upon the renewal effective date. See the links below for copies of the information your clients will receive:

**Just a reminder:** Please remember, if your client is thinking about moving out of one of the closed pools, be sure to advise them that these plans are closed and are not open to new enrollment. In the event they decide to move out of this plan, they cannot return to this plan, except in limited circumstances. Anthem may offer other Medicare Supplement plans that may help reduce the member's monthly premium, and these plans may require underwriting.

At Anthem, we're committed to helping you succeed. We know you are a huge part of our strength and success, and we value your commitment to the members.
