

Group & Individual News

Our HealthKeepers and Pathway networks are growing

Sentara Health System's CarePlex Hospital, along with their associated off-site facilities including Port Warwick, will join our HealthKeepers and Pathway HMO networks January 1, 2021. The addition of these facilities give members in the Hampton Roads peninsula region even more options. Starting January 1, 2021, members can receive in-network care from these locations:

- CarePlex Hospital and their off-site facilities, including Port Warwick (effective January 1, 2021)
- Riverside Regional Medical Center
- Mary Immaculate Hospital

Share this good news with your clients who are making Open Enrollment decisions now as it may affect their decision. Also remind them to always check that providers are in their network before receiving care.
