Complete Sydney Coffee House Series available online

November 1, 2021

The complete [Sydney Coffee House series](#) is now available online. The series explored a different aspect of the SydneySM Health app each month, culminating in a complete, end-to-end demonstration. Sydney is one way we invest in technology to improve our members' healthcare experience.

We explored all of the features the app has to offer and answered your questions. If you missed any of the sessions, you can [watch them now](#). You'll be ready to help your clients use Sydney's tools and features to feel covered, protected, and confident in their plan benefits.

Please contact your sales representative for more information.
