# New CAA and Transparency hub available in EmployerAccess

March 30, 2022

[EmployerAccess](#) is a one-stop location to provide your clients with the information they need to manage their plans. We've added a Legislative & Regulatory Updates section to provide updated information about the Consolidated Appropriations Act (CAA) and Transparency in Coverage (TIC) regulations.

Your clients and their delegates can find the section by choosing **Legislative & Regulatory Updates** under *Support & Resources*. The section also includes access to on-demand webinars about specific CAA topics.

Please tell your clients about these new resources to help them stay up to date on developing laws and regulations.

Once clients who are new to EmployerAccess register and log in, they'll find a comprehensive, personalized view of their company's benefit offerings, and the latest news. They can also pay their bill, manage employee benefits, find ID cards, and complete common tasks.
