We are not suspending commissions or bonuses for SEP

April 14, 2022

A recent story in Modern Healthcare contained incorrect information. Anthem is **not** suspending broker commissions or bonuses for the Special Enrollment Period (SEP).

We appreciate you and recognize that your work extends beyond Open Enrollment season. Rest assured that we are continuing to **offer broker commissions and bonuses for SEP enrollments.**

If you have any questions, please contact Broker Sales Support or your local Anthem sales representative for more information.
