# You can now read public broker news on the Broker Hub

June 24, 2022

We've added a public broker news section to the [Anthem Broker Hub](#). It's part of our ongoing effort to give you the marketing resources and information you need to help your clients.

You can read the latest news for your state on the hub's home page. To switch states, use the drop-down menu on the upper right-hand corner of the page. You also have the option to search for archived articles by state, segment, or keyword. Those options are available on broker hub [news page](#).
