Your clients choose the benefits they want with Dental Essential Choice

July 8, 2022

With our Dental Essential Choice PPO plans, your clients are in control of selecting the plan features they want for their employees. They can:

- Choose from different annual maximums, including unlimited.
- Waive diagnostic and preventive services from the deductible and/or annual maximum.
- Set office visit copays and deductible carryover credit.
- Select dual-option plans, including high and low plan designs.
- Set maximum carryover and carry-in benefits.
- Place benefits in different service categories.
- Choose out-of-network reimbursement levels.
- Select optional benefits, like composite fillings, dental implants, or cosmetic services.
- Include coverage for second opinions.

For more information about these flexible plans, contact your Anthem representative and see our updated [Dental Essential Choice PPO brochure \(PDF\)](#).

Your representative can also tell you about total-person care through Anthem Whole Health Connection[®], extended rate guarantees, bundled savings, and premium contribution options.
