## Account Insights Reporting Tool Video and Landing Pages

Earlier this year, we announced the launch of Account Insights, our interactive reporting tool. On Monday, November 15, the pre-login landing pages for both the employer and broker portals will feature a video and new look.

As a reminder, the new reporting tool will replace Account SearchLight (ASL) for groups 100+ starting January 1, 2022. Both tools can be accessed from our employer portal through December 31, 2021.
