Individual Dental HMO Product No Longer Marketed

Beginning January 1, 2022, CareFirst will no longer actively promote its Individual Select Dental HMO (DHMO) product (IND20).

Existing DHMO members will be able to renew their plans for 2022. New members are encouraged to consider either the [BlueDental Preferred](#) or [Preferred Dental](#) plan. While new members can still enroll in the DHMO, they can only do so by paper application.
